- Interpersonal Skills

## Interests

- Chess
- Economics

*First-year IPM student at IIM Jammu with a strong record in national case competitions and product-management challenges. Coordinates industry engagement for 600+ students and actively contributes to campus economics discourse, with a keen interest in finance, strategy and startup building.*

## Achievements

- **2nd Position**, Quintessence — Rush 11.0, IIM Ranchi's annual fest, for strategic thinking and problem-solving across a multi-round format.
- **4th Position**, Utkrama – National Case Competition, Symbiosis Institute of Management Studies (SIMS), Pune.
- **National Finalist**, UDAAN – National Case Competition, IIM Amritsar.
- **2nd Position**, ProdX by Shri Ram College of Commerce, with Aditya Birla Capital, Deloitte and Commonwealth Youth Council — Product Management.
- **National Finalist**, VentureX — national case competition by Shaheed Sukhdev College of Business Studies, on startup building and innovation.

## Certifications

- Global Markets Sales and Trading Analyst Job Simulation — **Bank of America**.
- Ascendro Global Upskilling Program in Finance.

## Academic Projects

### Monte Carlo Simulation of Petrol Pump Operations — Principles of Computational Thinking

- Built a **Monte Carlo simulation** to model customer waiting time and server idle time at a petrol pump under varying arrival and service rates.
- Analyzed simulation outputs to identify bottlenecks in queue efficiency and generated **strategic insights** on staffing and pump-allocation to reduce customer wait times.

## Position of Responsibility

### Coordinator – Industry Interaction Cell, IIM Jammu

- Collaborate with industry leaders to organize impact talks, summits and conclaves, enhancing academic and professional engagement for **600+ students**.
- Foster strategic partnerships with professionals to deliver sessions that drive value for the batch.
- Spearhead flagship events — **HR Conclave, Leadership Summit and NavSamvaad** — engaging **50+ speakers annually** and strengthening the IIMJ community.

### Member – Artha, The Economics Club, IIM Jammu

- Contribute to economic forums and discussions, critiquing and debating real-world policy issues.
- Organize intra-institute events on economic themes, encouraging peers to tackle real-life problems.
- Coordinate case competitions that apply core macro- and micro-economic concepts in practice.

## Extracurricular Activities

- **Finalist, Hult Prize 2026** — co-built a sustainable manufacturing-as-a-service startup converting underutilized dark assets into enterprise-ready industrial power.
